

Capital Area Groundwater Conservation District

GARY J. BEARD Executive Director

July 26, 2024

Anna Gilbert, P.E. for Owen and White RE: ExxonMobil Corporation P.O. Box 2431
Baton Rouge, LA 70821

RE:

Notice of Well Permit Approval 30°29'32.47', 91°11'12.78"

Ms. Gilbert:

In a public board meeting held June 20, 2024, the Capital Area Groundwater Conservation District's Board of Commissioners approved the construction permit for the application you submitted on behalf of ExxonMobil for the referenced water well into the Southern Hills Aquifer with the following conditions: The well owner's flow meter will be utilized to generate flow data. The well owner shall provide flow data in accordance with the Commission's requirements. The well owner shall calibrate the meter and provide calibration certifications in accordance with the Commission's requirements, and the well owners shall allow the Commission to access the site to conduct flow auditing as required. A copy of the Construction Permit – Phase "A" is enclosed. Please fill out the pertinent fields and return to CAGCD for a signature, which will validate the permit.

In accordance with LAC 56:V.905, please provide the Capital Area Groundwater Conservation District (Capital Area Groundwater) with a copy of the as-built drawings once the well is complete furnishing final location coordinates, casing sizes and depths, screen size and depths, etc. As the well construction nears completion, please contact Capital Area Groundwater, CAGinfo@LA.gov or 225.293.7370, to schedule a site and meter inspection.

Please note this permit authorizing the drilling of the referenced water well expires twelve months from the date of issuance. If drilling operations have not begun prior to the expiration date, ExxonMobil will be required to request an extension or reapply for a valid permit to drill.

Sincerely,

Gary Beard

Executive Director

Enclosure

WATER WELL PERMIT

Construction Permit Phase "A"

Capital Area Groundwater Conservation District 3074 WESTFORK DRIVE, BATON ROUGE, LA 70816
